

HE003-E

Product Features

- Stainless Steel SS304, corrosion resistance and have long time
- Fast heating
- Energy saving
- The number of towel bars can be freely matched
- 12V safe voltage, can be installed in any area of the bathroom

HE003-E

Seamless welding

Constant temperature

Uniform heating

Safety and waterproof

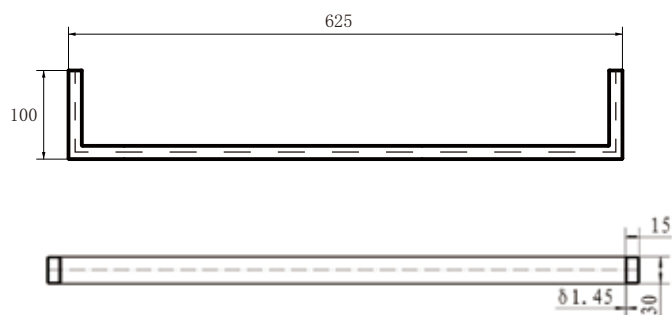

Disinfection sterilization

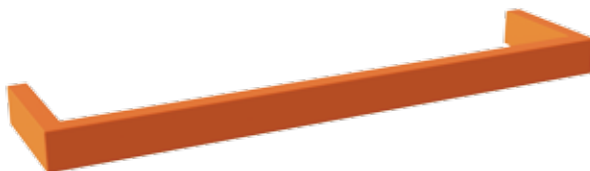

Safe not hot

Information

Brand Name	TONA
Product Name	Towel Radiator
Materia	Stainless Steel SS304
Color	Orange/Polished/Matte Black
Size	625*100*30 mm
Rated Power	17W
N.KG	0.9kg

Colour

Orange

Matte Black

Polished
